About the CFPC

The College of Family Physicians of Canada (CFPC) is the professional organization that represents more than 44,000 members across the country. The College establishes the standards for and accredits postgraduate family medicine training in Canada's 17 medical schools. It reviews and certifies continuing professional development programs and materials that enable family physicians to meet certification and licensing requirements.

Our Mission: Leading family medicine to improve the health of all people in Canada—by setting standards for education, certifying and supporting family physicians, championing advocacy and research, and honouring the patient-physician relationship as being core to our profession.

Our Vision: Leading family medicine. Improving lives.

Our Values: Caring; Learning; Collaboration; Responsiveness; Respect; Integrity; and Commitment to Excellence.
