MAINPRO+ summary

CYCLE Dates

- July 1st to June 30th

CYCLE Requirements

- Five-year reporting cycle
- During each five-year cycle you must earn and report a minimum of 250 credits, and at least 125 must be certified
- Minimum of 25 certified or non-certified credits earned and reported each year
- Mandatory online credit reporting

ACTIVITY Categories

Group Learning

Activities that provide opportunities to learn with others

Self-Learning

Activities planned and implemented by the individual, outside the context of a group

Assessment

Activities that stimulate learning and practice or performance improvement through the analysis of data and provision or receipt of feedback about an individual, group, or materials

CREDIT CATEGORIES

CERTIFIED CPD

Activities that have been reviewed and approved by the College as meeting standards for certified CPD.

NON-CERTIFIED CPD

Activities that have not been formally reviewed by the College but comply with the College's definition of CPD, are non-promotional in nature, and provide valuable professional learning opportunities.

CARRY-OVER CREDITS

In Mainpro+, up to 40 certified credits can be carried over to the next cycle. Carry-over credits are only applicable to five-year cycles, and if extra credits are reported beyond the required 125 certified (and 250 total) credits from the last completed cycle.

LINKING LEARNING EXERCISES

With our expanded Linking Learning program, Mainpro+ participants can earn certified credits by completing reflection on practice activities such as Linking Learning to Practice, Teaching, Assessment, Research, and Administration.
